

North Pinjarra Recreation Precinct

Concept Plan

2026 - for public comment March 2026

Project Overview

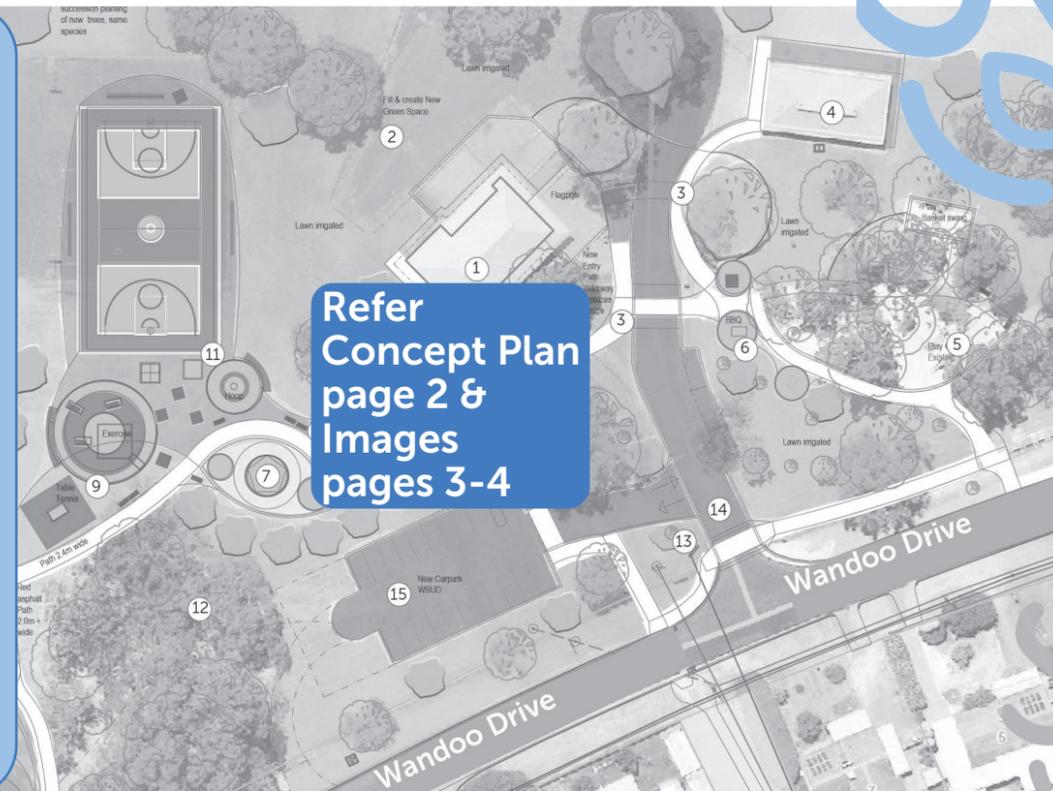

These pages outline the revitalisation plan for the North Pinjarra Recreation Precinct, to support activation and provide a destination for the local community.

The Concept Plan establishes a balance of activation outcomes while providing improved facilities, to establish a neighbourhood public open space for the North Pinjarra community.

The project's proposed \$800,000 budget breakdown is outlined, encompassing works to achieve the concept plan depicted. (Refer page 2 plan)

Budget

Toilet upgrade & mural	\$30,000
Improve access and amenity Paths, landscape, park furniture	\$110,000
Multi-court exercise active play	\$220,000
Carparking Driveway entry	\$220,000
Green space - irrigation & bore upgrades	\$220,000
Total estimated	\$800,000
