Policy A9 – Defence Reservist Leave

1. Policy Intention

To formally recognise that members of the Australian Defence Reserve Service employed by the Shire of Murray are able to access a reasonable amount of additional leave for that purpose.

2. Policy

It is recognised that the Australian Defence Reserves continue to be an important part of our national defence strategy and that support to Defence Reserves is essential to their continued effectiveness.

The reasonable amount will be determined at the discretion of the Chief Executive Officer and a management practice outlines the process to access applicable leave.
