WELCOME MESSAGE FROM

HON RITA SAFFIOTI MLA, DEPUTY PREMIER; MINISTER FOR TOURISM
AND
HON DON PUNCH MLA, MINISTER FOR REGIONAL DEVELOPMENT

The State Government is a proud sponsor of the Pinjarra Festival through Tourism Western Australia's Regional Events Scheme (RES).

RES was established to support event holders across WA with the development of events to drive tourism to regional Western Australia. The scheme plays an important role in positioning the state's five tourism regions as exciting destinations to visit and great places to live by showcasing and promoting the host region's unique and diverse attractions.

A total of 65 regional events across WA have been funded through the 2023-24 RES, which also includes a \$250,000 funding pool for the Regional Aboriginal Events Scheme, which exclusively allocates funding to events delivering Aboriginal activities and experiences.

The State Government, through Tourism WA, is proud to sponsor these regional events, which help bring vitality to local communities and drive visitor spend, injecting millions into regional economies.

Tourism is a key part of the State Government's plan to diversify the economy, create jobs and develop business opportunities, especially in regional Western Australia.

Events play an important role in this plan, with the State Government sponsoring a range of sporting, cultural, arts and culinary events across Western Australia through Tourism WA, to attract visitors to our state and encourage them to stay longer, disperse further and spend more while they are here.

We hope everyone enjoys this event and takes the time to explore the Peel region.

WATER WINS!

IT'S IMPORTANT TO DRINK WATER BEFORE, DURING AND AFTER SPORT TO STAY HYDRATED

Did you know, over half your body is water? Drinking water keeps your body cool, replaces fluid lost through sweat and helps you to perform at your best.

STAY HYDRATED

Fluid requirements vary from person to person and depends on a number of factors including the weather, type of exercise and sweat loss.

Children often don't realise when they are thirsty and may need to be reminded to drink often, particularly during exercise.

Aim for the following amounts of water per day and extra during exercise:

4-8 year olds	= 1.2L or 5 cups
9-13 year olds	= 1.5L or 5-6 cups
14-18 year olds	= 1.8L or 6-8 cups
Adults	= 2L or 8-9 cups

A WORD ON SPORTS DRINKS

Sports drinks are very high in sugar and not recommended for the general population, especially children.

Endurance or high performance athletes should consult an Accredited Practising Dietitian for advice.

DID YOU KNOW THE AVERAGE 600ML SPORTS DRINK CONTAINS 9 TEASPOONS OF SUGAR?!

This means if a person drinks 1 x 600mL sports drink each week over a year, from sports drinks alone they will consume:

2.3 KGs OF SUGAR (approx.)
