

Welcome to the Murray Valley Mountain Bike Trail Network

These trails are the first of over 25km planned for the Murray Valley network and cater for beginner, intermediate and advanced riders. These downhill trails can be shuttled via the road shown on the map. There is limited parking at the start of the trails.

Murray Valley Trails

Consider your skill level and experience before choosing a trail. Please ride within your limits.

Year 1 is a 2.3km descending green trail suitable for beginners. The trail features open rolling grade reversals, large cambered turns and flowing features on a wide smooth surface.

Boom Boom is a 1.4km blue downhill flow trail which has large natural surfaced features such as table tops, step downs and step ups, rollers and berms.

Bam Bam is a 1.3km black downhill flow trail that should be ridden by advanced riders only. The trail is fast with difficult features such as double whale back jumps and rollers, steep step downs and rock gardens.

Easy (Green)

Typically flowing open trails on firm terrain with gentle gradients. Surface may be uneven, loose or muddy at times. Riders may encounter small rollable obstacles and technical trail features. Recommended for beginner mountain bikers.

Moderate (Blue)

Typically narrow trail with loose, soft, rocky or slippery sections and hills with short steep sections. Riders will encounter obstacles and technical trail features. Recommended for intermediate riders with some technical mountain biking experience.

Difficult (Black)

Trails with variable surfaces and/or steep gradients. Riders will encounter large obstacles and technical trail features. Recommended for experienced riders with good technical skill levels.

Safety	Be prepared. Know yourself, your bike and your way.	Check trail conditions, tell someone your plans, take enough water, clothes and first aid. Check your bike, helmet and gear, read the trailhead and choose your trail, ride within your skills and abilities.
Environment	Respect your trail and the environment.	Follow signage, stay on track and don't take shortcuts, protect wildlife and plants, take rubbish home, prevent spreading dieback, keep your bike and gear clean.
Attitude	Make it a good experience.	Share the trail, pass safely and courteously, help others out.

Mountain biking is a potentially dangerous activity. It should only be undertaken with a full understanding of all the inherent risks. These guidelines must be used along with your own experience, intuition and careful judgement.

Emergencies:

In the event of an emergency, call 000. The nearest emergency hospital is located in Mandurah.

Download the **Emergency+** App before your next ride. Record your exact location!

Mobile phone coverage is available at the Lane Poole Reserve entry station.
